Dear Parents and Students of St. Denis,

One special moment for you in the upcoming year is the celebration of the Sacrament of Confirmation. Since the confirmation program involves an approach requiring prayer and involvement on your part, it is important that you know about it ahead of time. It is our hope that you will read this letter carefully, discuss its contents as a family, and begin preparation for the sacrament of Christian initiation.

What Is the Sacrament of Confirmation?

Baptism, Confirmation and Eucharist are called the sacraments of initiation. Through these sacraments we become members of the Catholic Church, a community of Spirit-filled people who have been saved by Christ and who witness Christ's love in the world.

As one of the sacraments of initiation, Confirmation impresses the candidates with a special character. Through the sacrament, the candidates are enriched by the gifts of the Holy Spirit, are bound more perfectly to the Church, and are strengthened in faith. They are enabled to witness more courageously to Christ and to spread and defend the faith.

The Role of Those to Be Confirmed

Those to be confirmed must be suitably instructed and properly disposed. They must be willing to be involved in the preparation program with the intention of remaining faithful to Christ and his Church.

The Role of Parents

As parents, you play a primary role in the sacramental preparation program. You help your son/daughter grow in faith as you prepare him/her for fruitful reception of the sacrament. Your attendance at required meeting and the Sunday parish celebrations of the Eucharist is vital. There is, and can be, no substitute for your actual presence at such moments. Your interest, involvement and concern make a difference in your son's/daughter's perception of what this sacrament and the Christian life are all about.

The Role of Sponsor

Each candidate, with the help of his/her parents, is responsible for choosing a sponsor. It is recommended that, if possible, the baptismal sponsor also be the confirmation sponsor. This choice would express more clearly the relationship between Baptism and Confirmation and would make the function of the sponsor more effective. There is no regulation determining that men are sponsors for boys and women are sponsors for girls.

Church law states that the sponsor must be at least sixteen years of age. He or she must be a confirmed Catholic who has received Holy Eucharist and is living according to the Catholic faith. The sponsor may not be the mother or father of the one to be confirmed. It is the responsibility of the sponsor to give assurance of his or her qualifications.

Sponsors take on a lifelong commitment to help their candidates fulfill the obligations of this sacrament. During the time of preparation, the sponsors are expected to take an active role in the Confirmation program and meet with their candidates on a regular basis.

Sponsors **do not** have to be present at the Confirmation practice. Sponsors **must be** present at the ceremony. Their immediate role demands time, commitment, and willingness to engage in faith-sharing activities with their candidate. It is suggested that people who are too young, live too far away or are too busy to devote the proper time and care to the candidate would not be able to properly fulfill this role.

It is important that parents, candidates and prospective sponsors consider carefully the qualifications and requirements given this letter before a commitment to the confirmation program is made.

I hope that this information on the Confirmation Program will enable you to devote some time to preparing, discussing and praying about it. The Catechist will provide additional information as the program progresses. If you have any questions regarding the information here or any other aspect of the program, please contact me. I am always willing to assist you in any way possible.

Know that you will be in my prayers and also of the entire parish community during this time of preparation for the Sacrament of Confirmation.

Sincerely in Christ,

Laura Esposito

The Sacrament of Confirmation

Confirmation is a difficult sacrament to explain. It's not about getting confirmed, but about a relationship with the **Third Person of the Trinity**. It's not about receiving the Holy Spirit, because you already received Him in Baptism. Confirmation, however, **completes** the Baptismal graces. It is a Sacrament of Christian maturity. This is the heart of your "Christian adulthood". You will grow in maturity during your entire life, but this Sacrament recognizes you as **responsible for your faith**.

Confirmation more perfectly unites you to Christ, and prepares you for a familiarity with the Holy Spirit, His actions, gifts and bidding. The Sacrament of Confirmation more perfectly binds you with Christ's Church as well and all Her members throughout the ages. By your Confirmation, you will become a Christian witness, a Soldier of Christ responsible for preaching and defending the true faith. You will also accept for yourself the responsible of continuing your education in the faith and practicing your religion.

In Confirmation, you will receive the fullness of the Holy Spirit and His gifts, preparing you for your ministry and renewed commitment to Christ and His Church. This Holy Spirit is the Counselor promised to us by Christ Himself when He said, If you love me, you will keep my Commandment. And I will pray the Father, and He will give you another **Counselor**, to be with you forever, even the Spirit of Truth, whom the world cannot receive, because it neither sees him nor knows him; you know him, for He dwells with you, and will be in you".

Jesus gave the Apostles His Holy Spirit after His Resurrection when he breathe on them and said, **"Receive the Holy Spirit"**. We receive the Holy Spirit in Baptism when we are Baptized "In the name of the Father, and of the Son, and of the Holy Spirit".

Confirmation is the outpouring of this same Spirit, and all His gifts in their fullness, as when the Holy Spirit anointed Jesus after His Baptism in the Jordan, leading Him into His public ministry. At **Pentecost** the Apostles received the fullness of the Holy Spirit enabling them to **evangelize** and **serve** God in their public ministry. Through Confirmation, you too will be prepared for your public ministry as a **soldier of Christ**, teaching and defending the faith. You will receive all the gifts and graces necessary to bear the mark of Christ's witness. **You will be sealed with the gift of the Holy Spirit.**

After reading this information, please think about this and answer the following questions.

1. What is the sacrament of Confirmation about?
2. When did the Apostles receive the Holy Spirit?
3. When did you receive the Holy Spirit? What is the date?
4. Once you are confirmed, what responsibilities will you accept for yourself?

Effects of Confirmation

1. We receive a full out pouring of the Holy Spirit as at Pentecost.
2. We share in a Divine relationship with our Heavenly Father
 - we are united more firmly to Christ
 - we receive an increase of the gifts of the Holy Spirit
 - we are bound with the Church more perfectly
 - we are strengthened to spread and defend the faith
 - we are given the grace to confess the name of Christ boldly and never be ashamed of the Cross.
3. We are given an indelible (permanent) mark as a witness of Christ on our Soul.
4. We share more perfectly in the common priesthood, which helps us to profess our faith publicly and officially for ourselves.

Be Sealed with the Gift of the Holy Spirit

In Confirmation, you will be anointed with Chrism, as a sign of a seal placed on your soul. This mark or seal is permanent. It marks you as a witness of Christ. This mark gives your soul more nobility before the eyes of God.

Seals were often used to close letters. Wax was dripped on a page, then a stamp would mark the was showing the identity of the author. A seal on your soul would mark Christ's identity onto your soul, so you will share more fully in God's image.

Sometimes seals were used to bind agreements or covenants. They would be broken in two, and one half would belong to each party. It was a symbol of unity. In Confirmation, you recommit yourself to your baptismal promises and your covenant with God. You publicly declare yourself God's servant and family.

Seals were also used to mark identity. It marks ownership. Your seal marks you as Christ's witness, you belong to Him and are His soldier. You will speak and defend the faith based on the Authority of Christ.

What are the four effects of Confirmation?

1. _____
2. _____
3. _____
4. _____

What does the seal of Confirmation mark on your soul?

Who is the Holy Spirit?

The Holy Spirit is **God**, the Third Person of the Holy Trinity. We know this from the Bible, where Jesus commands His Apostles to baptize people “in the name of the Father, and of the Son and of the Holy Spirit”. But who is this Spirit of God?

Jesus also tells us about the Holy Spirit. He said that another Counselor will be sent after He is gone. This Counselor is the Spirit of Truth promised. The Holy Spirit is the Paraclete. A paraclete is like a lawyer (defense attorney) or a judge. He will be with us at our final judgment before God. The Holy Spirit is the Sanctifier. **He will make us holy.**

The Holy Spirit is the **love** between God the Father and God the Son. This love is so real that it is another Person. The Father and the Son together sent us the Holy Spirit. We first read of the Holy Spirit descending at Pentecost. The Holy Spirit brings life to the Church. The Holy Spirit brings **grace** to the Church through the Sacraments. Once we are baptized, we are temples of the Holy Spirit who comes to live in us. We receive the fullness of the Spirit and His gifts at **Confirmation.**

1. Who is the Third Person of the Trinity?
2. Is the Holy Spirit God?
3. What are three names for the Holy Spirit? What do they mean?
4. When do we first read about the Holy Spirit descending?
5. When do we receive the Holy Spirit?
6. When do we receive the fullness of the Holy Spirit?
7. What does the Holy Spirit do in the Church?

Gifts of the Holy Spirit

The Biblical origin of the 7 gifts (seven is the biblical number meaning “completion, totality, all-that-we-need”) is found in a passage where Isaiah is foretelling the qualities of the Messiah. The word Messiah-Christos in Greek means “anointed”. When we are anointed in the Sacraments of Initiation, we “*put on Christ*” and the qualities of the Messiah take root in us and become our qualities. God is pleased when we use the 7 gifts of the Holy Spirit-and disappointed if these divine gifts are left unused. Please take the time to reflect on different ways to use these gifts and then put them into action. Consider using God’s 7 gifts as a preparation for opening God’s final gift-*everlasting life in the risen lord*.

In Confirmation, you will receive the fullness of the gifts of the Holy Spirit. These gifts help us to be **holy**. He brings us **seven** gifts:

1. **Wisdom**-Wisdom is the ability to see things as they really are. The Holy Spirit enables us to see things with **God’s eyes**. Wisdom moves our vision far out into the future; it gives us perspective. Wisdom enables us to see our sufferings in the light of God’s loving plan for us.

2. **Understanding**-Understanding means that your heart cares, listens and forgives. Understanding is to “stand under”, to “get to the bottom of things”.

Sometimes in order to understand how to use a gift, we have to read the directions. God’s gift of how we should live our lives comes with directions also-the sacred **Scriptures**. Prayerful reading of the Bible enables us to understand God’s plan and to get to the bottom of things.

3. **Right Judgement**- Right Judgment is the ability to make good decisions. To make God’s choices and seek His advice.

4. **Courage**-The word courage is derived from the latin word cor, “heart”. Courage is the gift that enables us to face danger and overcome fear with confidence. In the Gospels, before performing a cure, Jesus often says, “Take courage... Take heart...be confident...” The gift of courage enables us to see where our real strength lies: **God is our strength**.

5. **Knowledge**- Knowledge is the ability to learn the faith and know the truth. This gift helps us to know the right things. Knowledge helps us know which things are important & which things are not. This gift helps us to know Jesus. A good way to tell if we are really using the gift of knowledge is to examine whether or not the things we know lead us to charity in our actions.

6. **Reverence**- Reverence places us at the foot of the cross, looking up to the face of Jesus. This perspective lets us see our relationship to God: the saved & the Savior. The gift of Reverence enables us to act in the light of this reality & to show our gratitude by our piety & devotion.

7. **Wonder & Awe**- This means that we understand the greatness of God and that He is very near us. Take time to see God’s beauty around you and to see God’s beauty in each person we meet.

Using the information from the previous page, choose one of the Gifts of the Holy Spirit to complete the sentence.

Virtues

At Baptism, we receive the **THEOLOGICAL VIRTUES**. They come from God and help us to live in a way that is pleasing to God. This gives God great glory and by living these virtues, we begin Heaven here on earth!

The three **Theological Virtues** are:

Faith-to believe in God and all that He has told us.

Hope-to trust in all God has told us, and to want to go to heaven.

Charity-to love God and others, and to serve them in love.

There are also four **CARDINAL VIRTUES**. They are called "**Cardinal**" because they are the chief or head virtues. All other virtues come from these. For example, if we live the virtue of prudence, we will also live the virtue of modesty. The Holy Spirit will help us to live the Cardinal Virtues as well.

These virtues are "**habits of doing good**".

We need lots of practice and prayer to live these virtues. To live a virtue well, we need to also desire the virtue. So, if we make a good decision, but don't really want to do this decision, it is not really virtuous. So, for example, if I decide to say my Rosary everyday, but I don't really want to, there is little virtue in this act. But, it is important to continue the practice, because once it becomes a habit, it will become easier, and soon I will desire to practice this virtue!

The four **Cardinal Virtues** are:

Prudence-to make good decisions.

Temperance-to use the things around us well.

Justice- to give to others what they deserve.

Fortitude-to always do the right thing, even if it's hard.

Ask the **Holy Spirit** to help you to grow in virtue, and to help you with each virtue, especially those you find hard to do.

Requesting the Sacrament

Letter to the Bishop

The art of communication and letter writing seems to be going the way of the dinosaur with the innovation and widespread use of computers, e-mail and voice mail. Is there anyone who doesn't like receiving letters or cards in the mail? In days gone by, putting one's request in writing and signing one's name "**confirmed**" one's agreement and made it legal and binding.

And so, as part of your Confirmation formation, you are requested to write a letter to the Bishop asking to receive the Sacrament of Confirmation. This action signifies your active participation, maturity, knowledge, and desire to receive the sacrament.

In writing, you should include the following:

1. Greet Bishop, Dear Excellency.
2. Introduce yourself and give a brief description of yourself.
3. State your reason for the letter, your desire to receive the Sacrament of Confirmation. Explain and include all the preparation and study you have completed in making yourself ready for the reception of this sacrament.
4. Close the letter, informing the Bishop how you plan to remain connected to your faith and the Church in the future.
5. Conclude your letter with your complete signature.

SACRAMENTAL PREPARATION: CONFIRMATION

*"...Confirmed by the gift of the Spirit, that they give witness to Christ
by lives built on faith and love..."* from the Rite of Confirmation

Community Service-Ten (10) hours to be completed by February 2.

"Make Me An Instrument Of Your Love, It Is In Giving, That We Receive".

This line calls to mind the first lessons Christ modeled for us. **He** came to earth to serve. We serve God by serving our fellow humans. In preparing for the sacrament of Confirmation, you are requested to give **ten (10) hours** of Christian service.

We, Catholics are called to live our lives as followers of Jesus and members of the Church. This way of life includes what we call the **"Works of Mercy"**. Mercy means showing love and compassion to those who are suffering. Whenever we carry out a work of mercy, we are actually doing Christ's work in the world. Mercy is having a heart for another's misery. "Mercy is love. stooping down to lift up". We **must** lend a helping hand.

The mercy God gives us, will be in proportion to the mercy we give to others.

As Catholics, we have a **special** obligation to be attentive to the needs of the poor. The most powerful act is the gift of kindness that a person gives another. With every such act, grace gets **"passed around"**, and God's life breaks a little more fully into our world.

If life has been good to you, perhaps you have never experienced real injustice. Maybe you have never gone to bed hungry, have always been able to get warm when you were cold and have always had a nice home to return to each day. If so, you are one of the lucky ones. Many of our sisters and brothers have not been so lucky. They go to bed hungry; they wonder the streets; they feel overlooked and forgotten.

Justice is emphasized throughout the bible.

Working for justice and being people of justice are not simply choices of the Catholic moral life, they are **absolute requirements**. Justice is the virtue that makes sure we respect the dignity of all human beings and honor their rights. The virtue of justice demands that we seek the common good for all people. This means we are called to share with others. Justice is people watching out and caring for one another.

God created human beings to live together in justice and love. We are to share the goods of the earth, not hoard them. We are to care for our brothers and sisters.

Using Our Gifts

A **charism** is a spiritual gift given by the Holy Spirit for the **good** of the Body of Christ. Charisms are given to **all** members of the church. At Confirmation you are given 7 gifts of the Holy Spirit. (Wisdom, Understanding, Right Judgment, Knowledge, Courage, Reverence, Wonder & Awe). Every gift that is given is accompanied by an expectation that it will be **used**. God expects us to honor the gifts He gives us by using them for the good of the community.

The best way to develop our unique gifts or charisms is to seek opportunities to serve within the Body of Christ. By participating in a variety of different activities, we can get a better idea of where our talents can be used.

We will discover those gifts by developing in our hearts, a **willingness to serve**.

As part of your preparation for **Confirmation**, you are required to participate in a Christian service project. This is not a **"payment"** you make in order to be Confirmed; participation in Christian service is a way to practice using your skills and talents to help others. Because an adult Catholic means loving and serving others **throughout** your life, it is a good idea to begin now.

It is important that your choice of Christian service project be specific and practical that you can do for others; that it involves using your skills and talents to meet a **real need** in your parish or neighborhood; and that it is something you give time and effort to **outside your everyday responsibilities**. You can work alone or in a group.

Here are some points to think about:

- Think about people's needs, problem and fears and concerns. Ask yourself what you can do to help. Who needs time, effort, service, and love from you? What do you have to share?
- Make specific plans ahead of time. If you will be working within an established program (like a soup kitchen or a convalescent home), get the necessary permissions and make arrangements with a supervisor.
- Carry out your project on a regular basis, within an agreed-upon time frame.
- Throughout your project, take time to **think** and **pray** about your actions. You may want to keep a journal of your experiences. Each day put the success of your project in God's hands and ask the Holy Spirit in overcoming your fears and concerns and to give you courage to carry out this "work of mercy".
- You should reflect on how your service project is helping you take on the **mind** and **heart** of **Christ**, fulfill the needs of others, and build up the Christian community.
- When your project is completed, look back over your experience. Investigate other ways you can **continue** to be of service, to your parish and your community.
- **Community service hours should differ from your family responsibilities.**
- All hours should be directed toward parish, community, neighbors and school, missions etc.
- You cannot receive monetary (money) compensation for your service.
- Think about visiting a sick person or nursing home. Volunteer in a hospital.
- Organize a food drive, clothing drive etc.
- Gather a group of friends and raise money for world mission or any other charitable organization.
- Offer to do yard work, raking leaves, snow shoveling, etc. for an elderly neighbor.
- Join in on "Town Clean-up day". Check with your local Town Hall.
- Serve meals at a local homeless shelter.
- Volunteer as a junior Firefighter at your local Firehouse.
- **The opportunities are endless.** Remember to have the heart and mind of Christ and be willing to serve.

Perhaps you have realized by now that **you are quite a remarkable person**. You have the potential for **great** power within you, just by the way you live your everyday life. Everyday behavior has power to change lives. We can change lives through our kindness and our thoughtfulness, our compassion and friendliness, our joy, and our love. Anyone who can help others this way is pretty powerful. AND YOU CAN DO THIS!

**Your mission as a Catholic Christian does not end with Confirmation.
Your life as a Saint is just beginning!**
